### 3.4.1 Four Famous Dishes in Hainan–Wenchang Chicken :

Wenchang Chicken is a type of chicken breed and a chicken dish from the Wenchang city area in the island province of Hainan, China. This variety of small, fleshy free-range chicken is fed coconut and peanut bran. During the last one month before going to market, they are kept in coops above the ground. The traditional way to prepare Wenchang chicken is "white cutting" (白切), which involves immersing the chicken in almost boiling water and cooking to preserve its softness and tenderness.

### 3.4.2 Four Famous Dishes in Hainan–Hele Crab :

Produced in the seaside region around Hele Town in Wanning County, Hele crab has rich, meaty flesh rarely found in other species. It is particularly special for its golden yellow fat, which is the same color as the yolk of a salted duck egg with a fragrant aroma and rich nutritional content. There are many methods for cooking Hele crab, perhaps the most common is to first steam the crab in broth then serve with a dipping sauce made of ginger, garlic and vinegar seasoned with condiments, highlighting the delicious original flavors.

### 3.4.3 Four Famous Dishes in Hainan–Dongshan Lamb :

Produced in Dongshanling, Wan-ning City, it was called Dongshan Lamb by the local people. Their meat is aromatic, non-greasy and nourishing. Its dishes are diverse and delicious, such as braised Dongshan Lamb , clear soup Dongshan Lamb and so on.

### 3.4.4 Four Famous Dishes in Hainan– Jiaji Duck :

Jiaji duck, commonly referred to as "foreign duck", was introduced to Hainan by returning overseas Chinese. They improved the breed in the town of Jiaji on the outskirts of Qionghai city, where further breeding increased the duck's numbers. Once upon a time in the town's Jiexiang Street, a family surnamed Ding specialized in breeding foreign ducks. The Jiaji duck's characteristics are plump flesh, smooth white skin, a thin layer of body fat and delicious sweet flavors.

### 3.5.1 Local Food –Qingbuliang:

Qingbuliang is a cool and refresh–ing sweet soup served as a dessert all year round in Hainan. In Hainan, due to the relative abundance of local coconuts, a frequent unique ingredient used to make qingbu liang would be cold coconut milk. In this tropical province, a Hai–nanese qingbuliang could consist of assorted ingredients that can in–clude mango, watermelon, coconut meat or shredded dried coconut, cooked mung beans, red kidney beans, taro, quail eggs, bean jelly, red jujubes and then combined with brown sugar syrup, ice, coconut water or coconut milk, and some–times a few scoops of ice cream.

### **Offshore Duty-free Policy**

The off-shore tax-free policy refers to preferential tax policies for the passengers who depart the island (excluding departing national border) by plane, train or ship, while they could purchase within limited value, limited quantity and limited varieties, pay at off-shore duty-free shops or approved online sales platforms, and collect the goods from the designated areas of air-ports, railway stations and ports. The tax items under the off-shore tax-free policy include tariff, import value-added tax and consumption tax.

**1.**The offshore duty-free policy applies to domestic passengers who are over 16 years old, with valid identification materials (ID card for domestic passengers) and have already purchased tickets for a plane, train or ship to leave Hainan island but not the country.

**2.**There is no limit on times of purchase for offshore passengers.

**3.**For offshore passengers, the duty-free shopping quota is CNY 100,000 per person per year, with no limit on times of purchase. In addition, there is no limit on the quantity of purchases per year per times for goods with a unit price of CNY 100,000 or above, and the import duty on imported goods will be paid after deducting the unused duty-free amount, up to a maximum deduction of CNY 100,000.

**(Note:** The amounts of duty-free shopping by plane, train and ship respectively in the same year for the same passenger are calculated together.)

**4.**Quantity of duty-free shopping per time: 30 pieces of cosmetics (the suite products shall be calculated according to the actual amount of goods contained in the package), 4 mobile phones, 1,500ml alcohol, and unlimited amount of other categories. The part exceeding the duty-free limit shall be subject to import duty on imported goods according to regulations.

**Example:**

The goods purchased first are all duty-free with a unit price within CNY 100,000, and the limit of CNY 100,000 is not used up. You may choose to purchase an unlimited amount of single items with a unit price of CNY 100,000 or above, and the import duty on imported goods will be levied on the part that exceeds the duty-free limit.

**Example:**

When the value of perfume and bag is CNY 5,000, and if you purchase a single item with a unit price of above CNY 100,000, such as a watch valued CNY 110,000,

the remaining duty-free amount before buying the watch is  $CNY 100,000 - CNY 5,000 = CNY 95,000$

The import duty is  $(110,000 - 95,000) * 50\% = CNY 7,500$

The remaining duty-free amount is  $CNY 100,000 - CNY 5,000 - CNY 95,000 = CNY 0$

**Offshore Delivery:** Passengers shall collect the goods in the designated delivery points of airports, train stations and wharves with their own ID cards and offshore certificates (air tickets/train tickets/ship tickets), and take all the goods with them when they leave the island.

**5. “Pick-up upon Purchase” option:**When leaving the island, tourists can choose the “Pick-up upon Purchase” mode for duty-free goods listed below, provided that the price of each item does not exceed 20,000 yuan. They can purchase within the limit of each category per person and collect the goods immediately after paying. Customs at the island departure point will not conduct physical inspections of the goods.

**Sending:** Passengers can have their goods sent to an address outside of Hainan Province by selecting the sending method and entering their personal delivery addresses when submitting their orders at the official mall (note: the recipient, payer and purchaser are the same and shall be the passengers himself or herself; and the delivery addresses shall be outside of Hainan Province).

## 7、Tourist Routes around Hainan Island

### 7.1 East Route:

With closely connecting the six tourist areas of Haikou, Wenchang, Qionghai, Wanning, Lingshui and Sanya, the east route has the most convenient transportation that its expressway runs through the north and south. These six tourist areas have their own characteristics: Wenchang is famous for its coconut culture where has the most luxuriant coconut forest by the sea in Hainan—the Dongjiao Coconut Forest; Qionghai, with Boao as the center, has the estuary of Wanquan River and the site of the Asian Forum and the permanent site; Wanning is rich in Tropical Botanical Garden and Tropical Garden Scenic Area; Lingshui has the only island-type macaque nature reserve in China—Nanwan Monkey Island; Known as the maldives of China, Sanya has Wuzhizhou island, which has beautiful scenery and is the southernmost coastal town of Hainan Island.

## 7.2 West Route:

The west route also has six tourist areas: Chengmai, Lingao, Danzhou, Changjiang, Dongfang and Ledong, which is different from the east route and more focus on history and culture of Hainan! For example, Ledong Jianfengling and Changjiang Bawangling are national forest reserves; Danzhou has Thousand-year-old salt pans, Zhonghe ancient city, Dongpo Academy and other historical sites; Changjiang has Qizi Wan, which is the only bay in Hainan that retains the original natural landscape; Lingaojiao Liberation Park is the main landing site for the Liberation Hainan Sea Crossing Landing Battle; Dongfang has Exianling Scenic Area, known as “Hainan’s Little Guilin.”
